Re: Declaration of Bio-Chem Fluidics Non-Use of 168 SVHCs (REACH Regulation)

The components that Bio-Chem Fluidics supply do not contain any of the 168 Substances of Very High Concern (SVHCs) identified in the REACH Regulation in their composition or make-up. Also, the components that Bio-Chem Fluidics supply conform to the requirements for substances, mixtures, or articles identified in REACH Annex XVII. Bio-Chem Fluidics will continue to monitor publications for changes to this list. If any prohibited substances affect products or components supplied by us, Bio-Chem Fluidics shall notify our customers within a reasonable amount of time.

Please contact our Quality Department with any additional questions you may have.

Thank you for your interest in Bio-Chem Fluidics products.

Sincerely,

Ann-ni Pai
Quality & Sustaining Engineering Manager
