Re: REACH Substances of Very High Concern

Products manufactured and sold by Bio-Chem Fluidics do not contain any of the listed SVCH in amounts greater than .1% as is defined REACH Article 57, Annex XIV, Directive 67/548/EEC to the best of our knowledge.

Where applicable Bio-Chem Fluidics requires statements from suppliers demonstrating compliance to REACH SVHC regulation.

This declaration is to confirm that the products manufactured by Bio-Chem Fluidics meet the requirement of the Substances of Very High Concern (SVHC) specified in the REACH SVHC List effective 16 July 2019 (colloquially REACH 201).

Please contact our Quality Department with any additional questions you may have.

Thank you for your interest in Bio-Chem Fluidics products.

Sincerely,

A handwritten signature in blue ink, appearing to read "SKR", with a long horizontal line extending to the right.
