Re: Substances of Very High Concern REACH Registration, Evaluation, Authorization and Restriction of Chemicals (EC 1907/2006)

The product (s) do not contain any of the substances included in the REACH Authorization list to the best of our knowledge.

The product has been evaluated against Regulation (EC) No 1907/2006 of the European Parliament and of the Council, concerning the Registration, Evaluation, Authorization and Restriction of Chemicals ("REACH"), as amended to date, and in compliance with Article 33 (1) .

In addition, the product(s) do not contain any substances from the Substance of Very High Concern (SVHC) candidate list (Total 209 substances) in concentration above 0.1% weight by weight (w/w) as updated ECHA on June 25th, 2020.

Where applicable Bio-Chem Fluidics requires statements from suppliers demonstrating compliance to REACH SVHC regulation.

Please contact our Quality Department with any additional questions you may have.

Sincerely,

A handwritten signature in blue ink, appearing to read "Curt Eliassen".
